RE: Jane Herring  
Orphans Court #2021-X2110

Dear Mr. Herring:

I have mentioned to you numerous times during court proceedings, in correspondence and in Orders that the Court will not proceed with litigation by correspondence, and directed that you must file a petition, if you want the Court to take action. Despite this repeated directive, you have not filed any petitions requesting court action. You instead repeatedly send my assistant emails. As the number of emails and the demands of your emails has become harassing, you are prohibited from contacting the Court via email. As of today, the County IT department will be blocking delivery of your emails to any member of my staff. Nothing precludes you from filing a petition with Orphans' Court if you are requesting action by the Court.

Sincerely,

A handwritten signature in black ink, appearing to read "Gail Weilheimer", with a long horizontal line extending to the right.

Gail Weilheimer

## my email address blocked

Ms. Copestick,

Yesterday's ban of my email address by Gail by the county to to you, Gail, a judge, is denying me my constitutional right to use the Montgomery county court system. Gail is denying me my constitutional right to justice. She has no authority to do that.

Is she claiming that every time I have a question, I am supposed to waste my time by filing a petition? That makes no sense and has no purpose, except as retaliation because I have exposed the guardianship scam on my Mother by others involved in my mother's scam of guardianship.

The only times I have contacted you (my emails prove it), is when I have a question. I always explain my question in my emails. That is not abusing using emails. I do not contact you just to chat.
