

New Britain police and Board of Supervisors

About July 2025, while in prison for sending letters to lawyers looking for a lawyer to sue New Britain police for false arrest and also cry baby jaskowiak for being a part of it, I had a friend send packets of documents and pictures to various people proving both the dirty cop, Komatick, and cry baby lied about what I did to be arrested on April 27 2024.

Those packets included komaticks fake affidavit and pictures proving komatick lied about what was on my protest sign and what I wrote on the sidewalk. The packets were sent certified mail, return receipt so I knew various people got my packets.

The each of the 5 person board of supervisors got a packet and the chief of police, clowser, got one. I also sent a long letter explaining the importance of my documents and pictures. I wanted them to have the courage to take steps to get me out of prison. NONE of them did anything.

On June 15 2026, I went to the monthly board of supervisor's meeting. I brought mpre packets to give to this new board. Clowser was also there. The board told me since I was not a taxpayer in New Britain, I could not speak. I told them about the packets and left them there. I gave my business card to clowser and told him I wanted to meet with him about his dirty cop. I was told komatick is no longer there. I also gave my card to the new township manager and told him I wanted to meet with him. As of July 1 2026, neither of them has called.

None of them cared they have a corrupt police chief and unknown dirty cops.

On June 22 2026, clowser emailed me and said to contact the DA office about the matter. BS! The former DA schorn got a email from me and documents in early 2025 and 2 packets, both certified mail. No answer from her. In early 2026, the new DA Khan also got my packet certified mail. No response from him.

None of them cared that I was sitting in prison because of a dirty cop and a false arrest. My recent prison was 8 months long.

RE: meeting

Mr. Clowser, Board of Supervisors,

The FACTS are that I did send a long letter, documents and pictures to former DA Schorn twice by certified mail and once by email in 2024 and 2025 proving my false arrest and the corruption of the New Britain police department, including you. NO reply from her. Several months ago, I sent a long letter, documents and pictures, certified mail, to the new DA Khan proving my false arrest and corruption by New Britain police, including you. NO reply from him, either. Not surprised.

A similar letter, documents and pictures were also sent, certified mail, to the former Board of Supervisors during summer of 2025 while I was in prison for the false arrest. That information again proved it was a false arrest by the corrupt cop komatick and the corruption of the New Britain police, including you. NO response from any of the previous Board, including the township solicitor. As I had also stated, I had sent you a very long letter, documents and pictures, certified mail, in about summer 2025 while I was in prison. NO reply from you. A good friend of mine tried contacting you several times during the summer of 2025 while I was in prison for the false arrest. He wanted to meet with you to ask for your help to get me out of prison because it was your corrupt cop, komatick, that put me there. You

refused to return his calls. Coverup?

So much for any possible honesty and integrity of Bucks county and its elected officials..

My documents and pictures clearly prove komatick lied in his fake affidavit, contradicted himself many times in his affidavit, but signed it that it was true and correct. Komatick and the corrupt lawyer, jaskowiak, even swore in court, under oath, that the affidavit was true and correct. Besides perjury by both many times, there were many other felonies committed by them in my false arrest. Those same pictures and documents can be easily found on my news website www.janeherring.net.

In addition, there is my video, in full, of the day I was arrested that has been on my news website www.janeherring.net since late 2024. The video proved what happened that day. It also shows how komatick tried to start a fight with me to get a more serious charge against me for more prison time as a favor to jaskowiak and the "guardian mafia". What was komatick's payoff for doing jaskowiak and the mafia the favor of making up lies to have me arrested and put into prison? Was jaskowiak and the mafia hoping I would be murdered in prison to protect the mafia's scam on the many elderly victims they have been stealing from for many years and in many counties?

How many other false arrests did komatick and your other cops do that you have protected? How many other people had to plead guilty to fake charges just to get less prison time? How many fake traffic tickets were given by your corrupt cops to innocent people just so those cops would get a "gold star" from you for generating money for the township? How many Blacks were falsely arrested or given traffic tickets without just cause.

Finally, who am I? I had a 41 year career doing lie detection testing and training worldwide. My clients included many law enforcement type departments in many countries. I have also exposed several other major scams, including on law enforcement.

Why don't you prove you are a real chief of your department and get involved to put the real criminals in prison?

Two counts of harrassment for only protesting on a public sidewalk, in silence? Does anyone know about the Constitution?

Mr. Herring,

Your allegations against the New Britain Township Police Department can only be investigated by the Bucks County District Attorneys Office. I would recommend you voice your concerns to them.

Subject: meeting

Mr. Clowser, New Britain Township Supervisors,

On June 15 2026, I met you after a township supervisors meeting. Earlier, I had briefly spoke in front of the supervisors and you about the corruption of you, one of your police officers and the supervisors from last year about my false arrest by your department on April 27 2024. I left packets of documents proving it was a clear false arrest for you and the Board. I gave you my business card with my news websites www.ProtectMyParents.us, www.Janeherring.net and my email address on it. I told you I wanted to meet with you to discuss my false arrest by your former(?) cop alex komatick.

As of today, June 22 2026, I have not heard from you or any of the supervisors to discuss my false arrest. My packets of documents and pictures proved Komatick clearly lied in his affidavit (felonies), lied in court several times (perjury) about my protest sign and what I wrote on the sidewalk. About July, 2025, you and the previous Supervisors received a long letter from me (while I was in prison for that false arrest) and also the same documents I left at the supervisor meeting on June 15 2026, by certified mail proving it was a false arrest and I was being kept in prison without cause. You and those former Supervisors never responded to my plea for your help to do the right thing and get me released from prison because of that false arrest. I have spent about a full year in county prison, three separate times, because of the false arrest, including 8 months straight recently.

Briefly, on April 27, 2024, Komatick and another one of your cops (name unknown) arrested me for protesting on a public sidewalk, in silence, in front of a lawyer's home in your township. That lawyer, david jaskowiak, and many other corrupt judges, corrupt lawyers, corrupt guardians, corrupt psychologists, a corrupt "care manager" and my sister, are part of a "guardian mafia" in Pennsylvania. This "guardian mafia", operating in many counties, have innocent, elderly people falsely declared "incapacitated" by corrupt judges so those victims could have their savings, house, etc, stolen from them by those in the "guardian mafia" only for this "guardian mafia". Guardianship corruption is

massive nationwide.

My much loved, late Mother, Jane Herring, became another victim of guardianship corruption by this "guardian mafia" in mid 2021 at age 96 until her killing, in a low rated nursing home on July 2, 2024 at age 99. Mother died a extremely slow, barbaric and inhumane death by morphine. Mother was kept unconcious and died from starvation and dehydration because the mafia was done with her. For almost three years, Mother was kept locked in solitary confinement, in a sensory deprived environment. Mother never had any medical, financial or mental or behavior problems to be declared incapacitated. Mother had assets of about \$2 million dollars and a huge house paid for 20 years earlier. Jaskowiak was Mother's court appointed lawyer by a corrupt judge in Montgomery County. But, Mother had the massive assets to hire her own lawyer. Mother was always denied to be in court to speak for herself and denied to have her own lawyer by jaskowiak, the two corrupt judges on her case and the rest of the "guardian mafia".

Mother was kidnapped from her house by jaskowiak and the Mafia on August 25 2021, without any court order or reason. She was put into a low rated nursing home, got covid twice where she could have died, kept in solitary confinement, never allowed to leave to be in society or visit her home and never allowed to see her much loved possessions of almost 100 years. Mother was kept locked in her tiny section until her killing/death on July 2, 2024. Mother and I were denied to see each other by jaskowiak and this "mafia" for most of her imprisonment as a punishment to us because I was constantly exposing the guardianship scam on her by this "mafia". Mother was always denied a phone, TV, her friends, ministers and even a table in her room by jaskowiaak and the "mafia". Mother had to use the nursing home's torn blankets, urine stained towels, urine stained sheets and other peoples clothes that did not fit her. I even found several dead rats in her room.

There is NO reason why my false arrest should not be immediately investigated and those responsible prosecuted and convicted for the many felonies involved by others in my false arrest. Titles of various people have no importance if they were involved.

Sincerely,

Arthur herring III
