

BOOKLER – LEGAL ASSISTANT TO JUDGE STERLING

Corrupt judge sterling took over from corrupt judge weilheimer in about September 2023. Weilheimer was rotated to another court. Weilheimer had illegally had the county IT person, Olivieri, block my email address to all county agencies, including DA, sheriff, commissioners, etc. Weilheimer blocked my emails as a punishment for exposing the guardianship scam on my Mother by the guardianship mafia, that weilheimer, jaskowiak, etc were in. I was using those agencies to help my Mother get out of the fake guardianship that was approved by weilheimer/jaskowiak only to get Mother's assets.

Sterling/bookler told me they needed every person's email I had contacted in order for Oliveri to unblock my email to them. They were lying. Whatever olivieri did to block my emails, he can undo what he did. Sterling even denied my emergency petition to unblock my emails to help my Mother. Sterling said there was no emergency. WTF? Mother was 98 years old. To this day, my email to those people is still blocked.

Re: County Emails - update 4.1.24

Arthur - I received your numerous voicemail messages from last week. Judge Sterling has not issued any order unblocking your emails. Before she can even consider doing that, as I stated in my email to you last week (see below), you must provide us with a list of those *specific* addressees (individuals and/or agencies) to whom you are seeking access. **You cannot email this list to us as your access to our emails is still blocked.** As I also said below, we will need your list, **either typed or handwritten, legibly**, to be delivered.

Kindly leave your envelope with the list, addressed to Judge Sterling, with the deputies at security at One Montgomery Plaza so they can bring the envelope to chambers. Please do not come to chambers yourself.

Thank you for your cooperation. Wendy

Subject: County Emails

Dear Arthur - Judge Sterling has been in touch with those who control the technology for county emails. While we are unable to unblock all email addresses for you at this time, we can have your access to certain identified county organizations/individuals unblocked, as you requested. However, we need you to provide a list of those to whom you are requesting access, with the understanding that there is no guarantee that all will be permitted. Kindly provide that list, typed or in writing (legible), to chambers - either Rachel or me - at your earliest convenience.

Thank you for your cooperation. Wendy
