

CORRUPT ZABOWSKI

After logie was appointed by corrupt judge weilheimer to be guardian of person and estate for Mother on august 6 2021, logie hired lawyer zabowski. He always charged Mother for those lawyer bills. Logie had NO legal right to hire anybody and charge Mother. Zabowski is well known for screwing her clients over. On October 19, 2021, zabowski claimed the staff at manatawny manor told her Mother should have a 1-1 aide. Mother never got one. Why not, if she needed a full time aide? Why did logie never get one for Mother? Logie only cared about stealing as much money from Mother as possible, never caring about Mother welfare, health and happiness. Several times logie told me to do things for him for Mother so he would not have to do them. Mother could shower by herself and do all other daily activities.

Did anyone know what the hell was going on? The quack Ledakis said in his mid July 2021 evaluation of Mother that she had no problems with her daily activities. Mother did not need a cane, no walker, no wheelchair.

So why suddenly did zabowski claim Mother needed a full time aide after Mother had only been in the pig pen for about 6 weeks from her home?

Subject: Covid rules from facility

Good afternoon,

I just learned that Manatawny Manor has the following rules:

1. If a visitor is vaccinated, the facility will want a copy of their vaccination card.
2. Visitors will complete a COVID questionnaire upon arrival and have their temperature taken.
3. Masks must be worn the entire time a visitor is in the building.

The facility is also requesting that Mr. Logie hire an aide to be with Jane. They believe

that she needs 1:1 assistance.

Thanks,
Diane
