

FENSTERMACHER REFUSES TO CARRY OUR MOTHER'S GIFT MONEY TO ARTHUR

Fenster refused to even reply to this email and basically to all of them calling them, in one email, "rants and rantings". BS! I was the only one who was finding all types of problems affecting Mother health and happiness and welfare. The others in the mafia were only concerned if they got their money from Mother, their ATM machine.

Subject: birthday check

Mr. Fenstermacher,

About September 22 2022, I sent you a email informing you Novemeber 2 was my birthday. As you know for the past 10 years, my mother has given each of her children \$2,000 for birthday and Easter and \$10,000 for Christmas. I have not received my birthday gift. As you are aware, for some reason, it has taken you 2-2.5 months for you to send other checks to me for repayment, including for Easter and for paint.

When will you be sending my birthday gift?
