

FENSTERMACHER, JASKO RAT AND THE MAFIA WANTED ARTHUR EVICTED FROM
MOTHER'S HOME WHERE SHE WANTED HIM TO LIVE

On March 15 2022, despite fenster and cry baby jasko refusing to talk to Mother to ask her if she wanted me evicted, fenster rat, jasko rat and weilheimer went ahead evicting me. In addition, weilheimer gave an order, with the threat of prison, that I could not tell Mother I was evicted. Those rats ignored the note Mother wrote saying she wanted me to live in the house, even if she was not there. Fenster had that note. The mafia always did everything they could to cause me suffering and loss of money because I refused to join them in their scam on Mother. Because of them evicting me, I had to live in my car, summer and winter, for almost 3 years.
