

CRY BABY JASKOWIAK IGNORS ALL OF THE PROBLEMS OF MOTHER

I sent jaskowiak a very long email on January 4 2024 of the problems Mother was having affecting her health, welfare and her happiness. He never fixed any of them as her lawyer, appointed by corrupt judge weilheimer. July 2 2024 Mother was killed/died.

Re: new guardian

Arthur, If you can send an email or letter to Judge Sterling ask her not to grant the continuance due to your mother's age, ill health and poor living conditions. Tell her a new Guardian is important for Jane. Mention that his client has resigned and lack of proper care for Jane is an issue. Tell Judge that you do not object to Mahoney and IKOR and there is no reason to delay that appointment. Also, do you want to try to comply with Judge Sterling's last Order and try to get your visitation back? Vic

Subject: new guardian

jaskowiak,

Because of gelsinger claiming he has another trial, is the new guardian appointment going to be delayed, keeping pam blumer as the so-called guardian to Mother until a new date is set?

This is extremely unfair and extremely dangerous to Mother's health, physically and cognitively, and to her happiness as blumer has done nothing for Mother's benefit since she

was given "ownership" and control of Mother, for about 1.5 years.

My massive amount of emails to gelsinger/blumer and to the Racket have proved how dangerous and worthless blumer/ Racket has been to Mother's physical and cognitive health and her happiness. Mother is now almost 99. Based on my visit 2 weeks ago, Mother can hardly stand up, even with a walker. Her voice is almost a whisper because she is so weak from lack of exercise. Mother's pig pen has active covid cases, 41 in July 2023 according to blumer. According to studies, about 39% of the people that die from covid, die in nursing homes. Mother has had covid 2x and a major case of influenza under blumer. Mother has fallen several times because blumer has refused to make sure Mother has her no slip socks on that I gave Mother about 2 years ago and also several months ago. Mother fell again recently(always because of the constantly waxed floors) and because of her recent fall, has bleeding on the brain which no one knows what extensive damage that has or will cause.

Mother has lost a lot of weight because she is only allowed to eat what they feed her, even though Mother has no food allergies and no diet restrictions. Mother, under logie and blumer has been forced to live in solitary confinement, in a sensory deprived environment, does not look at TV because of the very limited channels, has not been allowed outside into society and even go home to see her loved possessions of 98 years that would make her happy. Blumer cannot even see to having Mother's hair washed and set every week like mother had done every week for 16 years. You were in Mother's large 3 bedroom, 3 bath house many times. Why have you forced Mother to live in that tiny, locked in pig pen with people with mental and behavior problems? No one has ever claimed Mother has any mental or behavior problems that would make her a threat to herself or others. So, WHY do YOU keep her locked up? YOU are her lawyer to protect her from that harm. WHY have YOU ignored the law Title 20, section 5521 which makes Mother in charge of her guardians and guardianship and is reinforced in the new guardianship law??

The one thing Mother wants, loves and makes her happy is having me with her, but you have ignored Mother, your client for over 2 years and the law title 20 section 5521, only for your own financial gain of your made up contempt charges and paid liars to deny/abolish visits with her because I have been exposing this guardianship scam on Mother by the Racket. As you recall on that video, you brag that you use contempt charges to get your way and to make money. You have ignored the FACT Mother is YOUR client, your boss and you answer to her. If you don't want to, under the Rules of Conduct for lawyers, you must quit. FYI: lawyers do have RULES of conduct.

WHAT HAVE YOU DONE FOR MOTHER, AS HER LAWYER FOR HER BENEFIT, PROTECTION AND FOR ALL OF HER MONEY YOU TOOK SINCE WEILHEIMER GAVE YOU THAT JOB, WITHOUT EVER ALLOWING MOTHER TO PICK HER OWN LAWYER?
