

## JASKOWIAK TRIED TO GET THE DA TO PROSECUTE ARTHUR

Instead of doing his job as Mother's lawyer to protect her and defend her in this money scam, jack ass jaskowiak instead tried to get the DA steele to prosecute me, alledging, based only on the mafia's hand picked liar (monitors) that I was videotaping Mother during my visits. Jack ass claimed I was violating a wire tap law.

As per visiting his client, Mother at 96-99, as per the PA Rules of Conduct for lawyers demand, jack ass only saw my mother 2x in 3 years of ownership. But, he, logie, fenstermacher, klock, blumer and the other shisters were making decisions for Mother WITHOUT asking her what SHE wanted, a right Mother had. Mother was NOT a vegetable. Despite many attempts by me to get jack ass and the others removed from Mother by weilheimer and sterling , including demanding corrupt judges weilheimer and sterling recuse themselves, all attempts failed. Even the PA Discipliany Board for lawyers refused to punish jack ass and fenstermacher.

Of course, shisters always protect fellow shisters.
