

STERLING BIO

She was the second corrupt judge who was a part of the guardian mafia in Montgomery county orphans court. Sterling knows the law but thinks it does not apply to her. She protected the guardian mafia during the guardian scam on my Mother for 1 year after weilheimer left. I wonder how much of a kickback or bribe did sterling get for doing favors for the mafia to get Mother's money in that fake guardianship? Those barbarian and inhumane shister judges kept a 96-99 year old woman in a tiny room, in solitary confinement, in a sensory deprived environment, no phone, no tv, until Mother was finally killed by the guardian mafia on July 2 2024. Mother was kept unconscious by morphine until she died a very slow, painful, barbaric and inhumane death by starvation and dehydration. That fake guardianship was started and continued by Mother's selfish and greedy daughter jsh.

Weilheimer/sterling/mafia, besides stealing vast money from Mother, also denied or extremely, severely restricted visits and time of each visit with Mother as punishment for me exposing the money stealing from Mother. Even as Mother lay dying withing hours, sterling only allowed me 1 shitty hour to be with my unconscious Mother. Barbaric animal.

Out of a possible 24,700 hours I could have spent with mother, from the time she was kidnapped on august 25 2021 to July 2 2024 when she was killed (24hours-8 hours per day sleeping = 16 per day) the weilheimer/sterling/mafia only allowed us a total of 224 hours in 3 years. Basically, almost during all of those visit hours, Mother and I were being watched and listen to by the mafia's paid liars (monitors). Both mother and I were paying for them. Those "monitors" were paid to write lies about what I said to mother so my visits would be denied or severely restricted.

Is that their idea of a guardianship of person and estate, with corrupt judges, corrupt guardians, corrupt lawyers, corrupt psychologists, corrupt care manager and jsh?

Melissa S. Sterling is a judge on the Montgomery County Court of Common Pleas in Montgomery County, Pennsylvania.

Here are some key facts about her:

- She was elected in November 2019 to the Court of Common Pleas and took office in January 2020.
- She currently serves as an Orphans' Court judge, which is a division of the Court of Common Pleas that handles matters such as:
 - Estates and probate
 - Trusts
 - Guardianships for incapacitated adults
 - Adoptions
 - Certain issues involving minors and fiduciaries
- She also hears other matters assigned within the Court of Common Pleas, including some family law cases, depending on court assignments. Pennsylvania appellate opinions reflect her having presided over custody matters as well.

According to the Montgomery County court directory, her chambers are located at the Montgomery County Courthouse in Norristown. Her judicial assistant and chambers contact information are listed on the county's official judges directory.
