

LETTER SENT TO JUDGE MCHUGH ABOUT MY FALSE ARREST, PROSECUTION AND
CONVICTION FOR PROTESTING ON A PUBLIC SIDEWALK

While I was in prison in mid 2025, for sending letters to lawyers looking for a lawyer to sue, I sent him my packet of pictures and documents, certified mail, proving I was a victim of false arrest, but he never cared to respond while I was sitting in a prison cell. What corruption!

Why was he so afraid to admit he and the DA made a major mistake of a false arrest of me? OR, did he know it was a false arrest that put me into prison for a total of 1 year and a corrupt cop made it all up, along with jaskowiak for revenge because I was exposing the guardianship scam on my Mother by jaskowiak and others? Either way, it is corruption.

At my May 23 2025 trial, prosecutor McCartney held up my envelope with the word CONFIDENTIAL on it and my letter. But, Anderson, the lawyer who got my envelope was not there to verify it and be questioned. Because of that, the letter and envelope were here se. But, mccartney did not know that? Judge mchugh did not know that? OR, did they know it but wanted to do a favor for jaskowiak. As of July 2026, no reply from him either. Why?

Dear Judge McHugh,

I am now pro se since my attorney, Victor Meitner, just quit on Friday. I have believed and it seems very obvious, that the facts of the original charges of harassment were never known by those prosecuting me, including ast prosecutor Furman, last prosecutor McCartney, two different public defenders, parole department including Ms. Shenk, my parole officer Matt Hunter and others. The police officer, Komatick, by his own admission in his affidavit, says he got a copy of my two-page newsletter I passed out to various neighbors on April 10th about the massive guardianship corruption on my very elderly mother, Jane Herring, age 96 to her recent killing at age 99 on July 2nd, 2024 by morphine, involving several corrupt judges, corrupt guardians, many corrupt lawyers, a corrupt psychologist, a corrupt case manager, Jaskowiak and my sister. My sister, then age 70, filed the petition for guardianship only to get the vast assets of my mother, who she was never close to. My mother and I were an extremely close and loving mother and son. My news website www.Janeherring.net proves this guardian scam on mother with court transcripts, court documents, various other documents, pictures, emails and an almost two-hour video I made during my two-hour protest, perfectly legal, on a public sidewalk in silence, on April 27th, 2024.

At one point, Komatick came up to me and blocked me from protesting. I knew he was trying to get me to argue or push him. I refused to be provoked. But, at the end of Komatick affidavit, that was filled with many lies, including what I wrote on the sidewalk and what was written on my protest sign, Komatick concludes his affidavit which is a proven fraud, by saying my reasons for protesting were baseless, thus it was two counts of harassment. How can he say that when he admits in his affidavit that my newsletter he got explained what the matter was about and how Jaskowiak was involved. No police officer has the power or authority to cancel a protest, unless it is on private property, blocking traffic, causing damage, etc. Police cannot cancel a protest if they just do not like it. At no time during my two-hour protest, where Komatick and another officer were always there, did either of them tell me I was breaking the law and I would be arrested if I did not leave. Why? My pictures included in your packet clearly show what my sign and the sidewalk said, NOT what Komatick and others claim it has said in the past, both verbally and in writing. Komatick signed his fraud affidavit that it was true and correct under penalty of perjury. He lied about its contents and accuracy, that is perjury. Jaskowiak agreed with Komatick fraud. Jaskowiak and Komatick lied in court about it many times (more perjury), Jaskowiak is an officer of the court and lied to two different judges, Jaskowiak lied in his recent "victim's speech" about several items, including an email asking for money. Jaskowiak, district attorney and the parole department knew that letter was not sent by me, but a hacker who stole all of my email contacts worldwide. Matt Hunter, my parole officer knew it was a hacker, but never spoke up in court. my two different public defenders refused to let me testify, refused to ask Komatick and Jaskowiak my 15 questions proving the false arrest and affidavit fraud and refused to point out the facts of the fake affidavit.

Why? Giving a false affidavit to law enforcement is a crime, giving false information to law enforcement is a crime, fraud is a crime, perjury is a crime and I am sure there are many other crimes committed by Komatick and Jaskowiak.

For three years I have been exposing, in many ways, the massive guardian scam on my mother that Jaskowiak has continued to try to silence me. He has used the court as a weapon. That is called lawfare and no court allows it. During my recent trial involving the letter looking for a lawyer to sue Jaskowiak and many others, the only evidence was the letter and its envelope. The envelope clearly says CONFIDENTIAL in capital letters. That is telling the receiver the contents are not to be disclosed to anyone. There is also a rule of privilege involving any information to a lawyer, hired or not. Why didn't that lawyer know the definition of confidential? Why didn't the ast prosecutor McCartney know that? Why didn't he know that the receiver of that letter, Anderson, had to be in court to verify it and be able to be questioned? Without Anderson, that letter is hearsay and not allowed as evidence. To conclude, there were never any crimes committed by me. My protest was 100% legal and protected by the constitution. There were many crimes by Komatick and Jaskowiak, as seen at my May 23rd, 2025 trial. It must be asked: did two public defenders, ast prosecutor Furman, District Attorney Schorn (who got your same documents and pictures three times certified mail), ast prosecutor McCartney and this court never look at the fake affidavit, its conflicting statements that proved Komatick knew it was a legal protest and my pictures of my sign and what I wrote on the sidewalk prove Komatick lied about them (perjury, fraud) but prosecuted me and found me guilty? How could that be? For the record, my two public defenders, at the district court hearing and at the harassment trial, refused to let me testify and refused to ask my 15 questions proving both Komatick and Jaskowiak lied. My background is 41 years doing lie detection testing and training worldwide as my business.

I saw that the parole department after their meeting with me about mid-April about sending the letter to lawyers to sue and felt I violated the number 8 rule of no contact, that the parole department only wanted me to have 12 months more probation and no prison. Why was prison given at all? You had signed off for me to have work release, 12 hours a day, 7 days a week away from prison unsupervised. At no time was any issue of drug usage, alcohol abuse, anger or violence involved by me. At no time have I ever been given any type of medications in prison, as opposed to about 95% who are, including those on work release. In addition, as per my letter to lawyers, all lawyers must know all people in any case, civil or criminal, to avoid a conflict of interest. I was following that rule. Also, the law says any contract or clause that is vague is unenforceable. The no contact list was obviously not written by a lawyer. About 50% of the rules are extremely vague, not specific as to what is not allowed. No one has the ability to know what lawyer or person, has any type of relation with another person or business.

I am asking this court to do the honorable and humane action of releasing me from prison on October 1st, not just because of giving me the 2 months credit from last year, but because the

documents and facts included in this packet PROVE beyond any doubt it was a false arrest and a corrupt arrest only for the benefit of David Jaskowiak to protect the guardian corruption that was on my much loved mother for 3 years and on many, many other elderly people for many years only for their assets.

I also ask the district attorney to ask this court to dismiss all charges ever filed against me in this matter, return all bail money and return my permit to carry concealed and my guns from Mr. Meitner.

Sincerely,

Arthur herring III
