

CEASE AND DECIST

One of the common tactics of guardian corruption is for them to insult and demonize the person who most loves the victim, who is exposing the corruption and neglect of the victim, and use those lies to deny/restrict visits with the loved person.

This is a letter that must be sent to those corrupt people and their lawyers telling them to stop using those lies with your name. That is called liable and deframtion of character.

RE: Cease & Desist from Collections

Dear [REDACTED]:

On [REDACTED], one of your employees or agents calling on behalf of your company contacted me and claimed that I owe a debt to [REDACTED] under account number [REDACTED]. At this time, I would like for you to make a note that I am disputing this claim and that I do not believe I owe this balance.

Your continuous calls and such conduct have caused me to suffer severe humiliation, embarrassment, emotional distress, and physical discomfort. Please take note that any future unsolicited calls will be reported as a violation of 15 USC 1692c of the Fair Debt Collection Practices Act for debt harassment and unfair collection efforts in the attempt to collect said debt.

I hereby demand that you cease and desist all future calls and update your records immediately. If action is not taken by you to cease and desist within 0 days from receipt of this letter, I will have no choice but to take appropriate legal action against you, including but not limited to filing a report against your company under the Fair Debt Collection Practices Act.

Sincerely,

Arthur Herring III
