

PHILADELPHIA INQUIRER INVESTIGATIVE REPORTERS PROTECT CORRUPT VP LARRY OF
CORRUPTION BY HIS WIFE GAIL IN ORPHANS COURT ON THE ELDERLY. PT 2

This second set of emails, just like the first set, was again sent to each “investigative reporter” of the Philadelphia Inquirer on August 8 2026. This time, I told them how their VP and general counsel, larry weilheimer, was directly involved with the massive guardianship scam on elderly people in the Montgomery County orphans court for many decades that involved corrupt judges (past and present), corrupt DA, corrupt guardians, corrupt lawyers, etc. One of those corrupt judges was his wife gail. For a long time, larry has killed all stories by reporters who wanted to do stories about guardianship corruption in Montgomery County courts.

So far, none of those “investigative reporters” has contacted me. Their jobs over their journalism responsibilities and obligations.

Mr. Vella,

A week ago, I sent you a email explaining about the massive corruption in the orphans court of Montgomery county, including several judges, a corrupt DA, corrupt guardians, corrupt lawyers, etc.

My late Mother, Jane Herring (96-99), was a victim of massive guardianship corruption only for her vast assets. One of those very corrupt judges was gail weilheimer, wife of Inquirer VP Larry weilheimer. For many years, larry has killed all stories by reporters who wanted to expose that orphans court corruption on the elderly. But, Larry killed those stories only to protect his wife, who is best friends of Lorie Shapiro, wife of josh shapiro. Josh nominated gail to Biden to be a US district court judge and she is now.

Go to my massive news website www.janeherring.net to see proof of that massive corruption in orphans court.

A story must be done on this corruption to help those thousands of other victims of those corrupt people.
