

JASKO RAT TRIAL AGAINST ARTHUR FOR SENDING LETTERS TO LAWYERS LOOKING FOR A LAWYER TO SUE JASKO RAT AND MANY OTHERS

Jaskowiak had me arrested for protesting on a public side walk, in silence, on April 27 2024, in front of his home. I was never on his property. My entire 2 hour, peaceful protest, in silence can be seen on my news website janeherring.net. I was, as I always had been for several years, exposing him and many others, direct involvement in the guardian mafia with their guardianship scam on my much loved, late Mother: Jane Herring. Mother was killed/died on July 2 2024, age 99, by this guardian mafia. Mother was kept unconscious by them, where she did a extremely slow, barbaric and inhumane death by dehydration and starvation. Mother had NO medical, financial or personal problems and NO claims Mother had ever had any mental or behavior problems where either a guardian of person or estate were needed. This mafia kept Mother in a low rated nursing home, in solitary confinement, in a locked in section with people with mental and behavior problems, in a sensory deprived environment for 3 years until this mafia killed her off. Mother had NO TV, NO phone, torn blankets, urine stained towels and sheets. Mother's long time friends were banned, not even ministers were allowed. My visits with Mother were always denied or severely restricted, no factual reason given, to only about 1 or 2 times a month, for only 1 hour per visit, for 3 years,

To them, Mother was only disposable cargo, with a huge bank account. Mother was 96 at the time when the fake guardian petition was filed by her daughter, jsh, age 70. Jsh filed the fake petition for guardianship just to get control of Mother's vast assets. Jsh filed her fake petition with the help of her shister, Camp, on May 18 2021. Corrupt judge weilheimer appointed jaskowiak as Mother's lawyer on May 21 2021, even though Mother had her own money to hire her own lawyer. BUT, Camp did not send me the email, with the petition, until may 24 2021. The fix was in.

The various maggots in the guardian mafia wasted no time in bleeding as much money out of Mother as possible. These maggots included corrupt judges weilheimer and sterling in the Montgomery county court orphans court in PA. Massive corruption has been known in those courts by judges for decades. Weilheimers husband, larry, is VP and chief general counsel (lawyer) of the Philadelphia Inquirer. He has constantly killed any reporter's stories that involved the corruption in the orphans court and the corruption involving his wife, gail, in guardianship corruption. Gail is now a US district court judge. She is best friends of lorie Shapiro, wife of governor josh Shapiro. Josh nominated gail to biden to be US district court judge and biden appointed her in mid 2023. Sweet gail put me into prison twice for exposing the scam. Both times jaskowiak was the one who filed contempt of court charges for exposing the scam on my massive news website protectmyparents.us. Both times he charged Mother

about \$4,500 for his "time" to do so. Jasko rat NEVER told Mother what he had done or asked her permission, as his CLIENT, which ALL lawyers are obligated to do: ASK the client what THEY want, especially in guardianships.

Other guardian maggots included corrupt guardians of person and/or estate logie, pam blumer, ellis, fenstermacher, shisters included zabowski, Barley/Snyder shisters bill blumer, gelsinger, a few others, "care manager klock, quack psychologist ledakis and of course jsh. Jsh has hated me and her Mother all of her life for unknown reasons.

The various documents and pictures proving the cop who arrested me lied and jaskowiak went along with the charges of 2 counts of harassment because the charges would put me in prison for a while. Those documents also prove how more made up charges were used to put me back into prison. My documents and pictures are extremely specific.

After getting out of prison in late 2024, about February 2025, I started sending out letters to lawyers looking for a lawyer to sue jasko and the police for false arrest. They were a 2 page letter with everyone's names involved in the scam and my arrest. My envelopes had the word "CONFIDENTIAL" in 1 inch letters. One of those lawyers knew jasko and sent it to him. Jasko contacted the DA and told him about my letter. Even though I never sent jasko the letter, another lawyer did, I was charged with INDIRECTLY sending him one of my letters which was a violation of not contacting jasko while on parole. WTF? The lawyer was never in court to testify or be questioned. Their "evidence" is called here se and is NOT accepted in court. But, they did anyway to further punish me for their friend jasko rat. That lawyer, who got my letter, did not know what the word "confidential" meant? WTF?

At the trial, jasko rat gave a "victims' speech. He lied 3 times in it. I demanded to respond to it. Both the judge and the prosecutor refused to let me respond. They did not want to know how jasko rat lied, under oath, as a officer of the court, in front of the president judge? WTF? I was found guilty and served 8 months. My parole ended in May 2026.

The testimony, by others, had various types of lies that are very clear in my documents and pictures on this site. Making up words and endings or rearranging words on my sign and on the sidewalk is called manufacturing evidence and is a felony. Filing a false affidavit to law enforcement, including by the dirty cop and jasko is also a felony. Both times jasko and the dirty cop swore under oath in court that the affidavit was factual and true. That is called perjury, which both the dirty cop and jasko rat did twice at 2 different hearings.

1 MR. MCCARTNEY: Next, Your Honor, we
2 have Commonwealth versus Arthur Herring. That's
3 Docket No. 2262 of 2024. Your Honor, this is a
4 hearing. We do have a victim present today who
5 wishes to address the Court at the appropriate time.

6 THE COURT: All right.

7 THE CLERK: Mr. Herring, please raise
8 your right hand.

9 ARTHUR HERRING, III, after having
10 first been duly sworn, was examined and testified as
11 follows:

12 THE DEFENDANT: I do.

13 THE CLERK: Please state your name for
14 the record.

15 THE DEFENDANT: Arthur Herring, III.

16 THE COURT: All right. Counsel.

17 MR. MEITNER: Good morning, Your
18 Honor. I'm Victor Meitner, M-E-I-T-N-E-R. I
19 represent Mr. Herring.

20 MR. HUNTER: Your Honor, the basis for
21 today's hearing is technical in nature. It's for
22 violation of a no contact order.

23 The defendant's currently being
24 supervised for an offense of harassment,
25 communication, lewd or threatening language.

no trespassing
why?

1 Misdemeanor of the third degree, and he was
2 sentenced before Your Honor on July 15th of 2024 to
3 twelve months probation. The conditions at that
4 time were to have no victim contact with David
5 Jaskowiak or his residency and not to possess any
6 firearms.

7 A Gagnon I was held on April 2nd of
8 2025, as we had received notification from the
9 district attorney that a letter was sent out to
10 other -- to another family practice lawyer, Maureen
11 Anderson, with a letter that I have, if Your Honor
12 wishes to review, for you as well.

13 THE COURT: Mr. Mejtner, have you seen
14 that?

15 MR. MEITNER: Yes, Your Honor.

16 MR. HUNTER: The DA also has a copy as
17 well.

18 → A letter that was sent out making
19 allegations against numerous people, one including
20 the victim about his -- the defendant's mother, who
21 essentially is accusing them, through a
22 guardianship, of murdering her, and it cites his
23 name several times. It also in the letter cites the
24 case itself today, which specifically states that he
25 was put in jail by the victim based off of false

1 affidavits from the date of the arrest.

2  The case itself derives from the
3 defendant being outside of the victim's house
4 wearing a sign saying he's a human sex trafficking
5 pervert.

6 Now, the recommendation itself,
7 Your Honor, we are leaving that open ended for
8 Your Honor to consider what to do based off of the
9 violations. The -- the violation itself that we're
10 looking at is through third-party contact. While he
11 didn't directly contact him, it was the victim that
12 contacted -- I'm sorry, the other family practice
13 lawyer that contacted the victim to discuss the
14 matters alleged in the letter that was sent out.

Envelope
"Confidential"

15 Now, as the DA stated, the victim also
16 wished to speak regarding the impact on him as well
17 for this.

18 THE COURT: All right. Let's hear
19 from the victim then.

20 THE TIPSTAFF: Gentlemen, I'm going to
21 ask you to step over here, please.

22 Sir, if you could come right here to
23 the podium, sir. Thank you.

24 THE WITNESS: Thank you.

25 THE CLERK: Sir, if you could please

1 raise your right hand.

2 DAVID JASKOWIAK, after having first
3 been duly sworn, was examined and testified as
4 follows:

5 THE WITNESS: I do.

6 THE CLERK: Please state and spell
7 your name for the record.

8 THE WITNESS: David Jaskowiak,
9 D-A-V-I-D, last name J-A-S-K-O-W-I-A-K.

10 THE COURT: Sir.

11 THE WITNESS: Good morning,
12 Your Honor. My name is David Jaskowiak. I'm an
13 attorney practicing in the Commonwealth of
14 Pennsylvania in Bucks and Montgomery Counties. I
15 was involved in the case involving Jane Herring. I
16 was court appointed by Judge Gail Weilheimer back in
17 2021, and I faithfully completed my duties until her
18 passing on June 2nd of 2024. (July)

19 → During that period of time, Mr. Arthur
20 Herring, especially at the end, he had appeared on
21 my property after having provided letters to all my
22 neighbors throughout the neighborhood accusing me of
23 various things, as well as all -- the judges, the
24 guardians, and everyone else involved in this case.
25 → He actually started picketing, twice, if Your Honor

1 will recall, on my property. He was then, of
2 course, charged with harassment, and Your Honor has
3 that record.

4 Since that time, it was my
5 understanding that he had pled guilty and he was
6 supposed to have a no contact order, and that -- I
7 know Your Honor had envisioned that as a strict no
8 contact order.

9 → On or about March 29th of this year I
10 received an e-mail that I instantly recognized,
11 because of the e-mail identity, that it was from Mr.
12 Herring, and I viewed it as, frankly, a very creepy
13 e-mail, and when I learned -- I have to put it in
14 context.

15 → I had been contacted by Maureen
16 Anderson, who is a well respected Doylestown
17 attorney who deals in elder law matters, and she had
18 advised that, once again, similar to last April of
19 2024, she had received another letter that was
20 different, and it was also citing a new website that
21 Mr. Arthur Herring had created for his mother, about
22 his mother, and I had looked at that website and was
23 alarmed to find throughout that website that I was
24 being accused of murder, that the guardians were
25 being accused of murder, the judges were being

lied!

1 this, and I view that March 29th e-mail that Mr.
2 Herring sent to me as a taunt. I -- I can't think
3 of any other explanation why he would possibly --
4 Your Honor, I believe, already has a copy of that or
5 the DA can provide a copy of that. I printed off
6 some of this, the screens and the rants that Mr.
7 Herring had on his website, and I'm more than happy
8 to provide them to the Court, but, Your Honor,
9 suffice it to say that this has to stop. This --
10 this just has to stop. It -- and unless this Court
11 intervenes now to tell Mr. Herring that enough is
12 enough is enough, I'm -- I'm afraid that it will go
13 on.

14 → I mention that because we were
15 involved in two other proceedings where the judges
16 basically implored Mr. Herring to stop his behavior
17 within the context of the guardianship. For certain
18 things the judge had disallowed, he continued to do,
19 he continued to do, until a point where on two
20 different occasions he was held in contempt by that
21 court and had spent five, and then seven, days
22 incarceration at the Montgomery County Detention
23 Center. So he knows that he's not supposed to do
24 it, but he's doing it anyway, and it's increasing in
25 a way that is significant.

1 Frankly, Your Honor, I'm concerned for
 2 -- for not only -- just for me, I'm mostly concerned
 3 for my family, for my son, for my neighbors, and for
 4 the people that I work with, and he has been
 5 relentless to the point where I think that,
 6 unfortunately, we're in a situation where very stern
 7 -- a very stern message has to be said to Mr.
 8 Herring that this is just socially unacceptable and
 9 has to stop. He may have free speech, but free
 10 speech does not amount to what this is. This is not
 11 free speech. This is well, well beyond it.

12 So I would ask the Court to deal with
 13 this sternly and mete out the appropriate remedy in
 14 light of what has happened.

15 THE COURT: Thank you, sir.

16 THE WITNESS: Thank you, Your Honor.

17 THE TIPSTAFF: Gentlemen, would you
 18 move back, please, to the podium.

19 THE COURT: Anything else?

20 → MR. HUNTER: There's no further
 21 information regarding violations at this time. The
 22 information was very well encompassed on what was
 23 going on. The website itself wasn't listed as a
 24 violation because it's not a direct contact. It's
 25 concerning information based off the dynamics of Mr.

1 → Jaskowiak being the victim.

2 → The origin of this specific violation
3 was derived from the letter being mailed out itself,
4 but it's still concerning with everything
5 encompassed as a whole as far as the issues with Mr.
6 Jaskowiak.

7 THE COURT: All right.

8 MR. MEITNER: May I address the Court,
9 Your Honor?

10 THE COURT: Certainly.

Never
stated the
facts

11 → MR. MEITNER: Your Honor, I
12 represented Mr. Herring in the case in Montgomery
13 County relative to the guardianship, and it was a
14 bitterly contested matter and the Court rendered its
15 decision and stuck to it. And Mrs. Herring was in a
16 retirement home for the last several years of her
17 life, and, at various times, Mr. Herring was
18 permitted to see his mother and at various times not
19 permitted to see his mother, and when he was not
20 allowed or permitted to see his mother, it -- it
21 really was tough on him. And on the two occasions
22 that we've -- referred to by Mr. Jaskowiak, I was
23 able to have Judge weilheimer release him from the
24 incarceration on both -- on both occasions.

25 I was given to understand that the

1 letter -- that we were here today solely on this
2 letter, and the letter was written by Mr. Herring in
3 an effort to obtain counsel, and he says right in
4 the letter "I'm trying to retain counsel for
5 purposes of taking action against various lawyers,"
6 thankfully not me, but various lawyers who were
7 connected with his mother's estate, his mother's
8 trust, of which he is a beneficiary of both her
9 estate and her trust, and also with regard to the
10 manner in which various lawyers conducted themselves
11 during the guardianship proceedings.

12 → I think he was trying simply to obtain
13 counsel and it -- and had felt he had to mention the
14 names of the lawyers in order that they're not --
15 the lawyers to whom he was writing would know if
16 there was a conflict and that -- whether they could
17 take the case or not.

18 In the meantime, which is earlier this
19 morning, I have agreed to represent Mr. Herring in
20 an action -- or relative to his mother's estate and
21 trust on his behalf as a beneficiary of both the
22 estate and the trust. I am not willing or
23 interested to represent him in any matters relative
24 to claims in the guardianship case because my -- my
25 -- my time of litigation of that type is over.

Meitner

1 THE COURT: Okay.

2 MR. MEITNER: And whether he continues
3 to seek other lawyers to represent him in those
4 matters or not is -- I will not do that. I -- I
5 just am not in a position to take those types of
6 cases. But I am handling estate matters and trust
7 matters, and although the estate and trust is in
8 Chester County, thankfully not in Bucks County nor
9 in Montgomery County, but I will -- I will endeavor
10 to represent Mr. Herring in those matters.

11 I've also spoken to Mr. Herring about
12 any additional letters of any kind to any other
13 lawyers until after his probation ex -- at least
14 until after his probation expires in July. I
15 believe it's mid July of this present year.

No more
probation?

16 Mr. Herring has agreed with my
17 recommendation that he absolutely not be sending
18 anymore letters to any lawyers of any kind relative
19 to Mr. Jaskowiak or any of the other lawyers
20 involved in his mother's case at least until after
21 his probation expires.

No idea
of hacker

22 → As to an e-mail that I -- I was
23 unaware that we were here on an e-mail until just
24 spoken about by Mr. Jaskowiak, but I think that the
25 -- Mr. Jaskowiak and the estate lawyer, Mr.
