

JUDGE LOIS MURPHY

She is another long time judge in orphans court. She has also been exposed, like the other judges in that court, past and present; as being not honest and ethical.

In addition, I had sent president judge carluccio 3 letters certified telling her about the corrupt judge weilheimer on my mother's case. Carluccio cc's murphy. Neither did anything about it. I have those letters and they are posted in this site.
