why no story

Mr. Wingert,

No response from you to my emails asking why you keep refusing to do a story about new britains corrupt police depart, corrupt manager Valla and the corrupt board of supervisors, all refusing to deal with my false arrest for protesting and their refusing to fire their chief clowser for protecting the dirty cop.

What is your excuse for not doing a story that was proven by me with documents and my posted video of me protesting proving no laws were broken?

police, DA, brd of supervisor corruption

Mr. Anastasi, Editor, Bucks county Herald

You got my email to Mr. Wingert (publisher) today. You were contacted several times by me in 2025 and also with a certified letter about my false arrest with documents and video on my news website www.janeherring.net to prove my accusations. In the last few days, I have added almost 100 more such documents to my news site.

With all of my documents and video on my news website, nothing can be disputed about my false arrest, prosecution and prison. I contacted various people, by certified mail, and the refusals by DA Khan, former DA schorn (who was informed 3x by mail), judge mchugh, ast. prosecutor mccartney, chief clowser, township manager Valla and the board of supervisors in 2025 and 2026 to do anything about the corruption of the chief, his department and the dirty cop komatick. How many others did Komatick lie about to arrest them and put them into prison?

When will you finally do a story about the corruption for the people to know?
