

STERLING ORDER ACTUALLY CLAIMS JASKO RAT IS DOING GREAT AS MOTHER'S LAWYER

On April 3 2024, so-called "judge" sterling in her order in reply to my demanding jasko rat be removed as Mother's shister, actually claimed jasko rat was doing a great job. WTF sterling? She gave her order only about 2 months before Mother was killed/died on July 2 2024.

To recall, this guardian mafia kept Mother unconscious with morphine where Mother died a very slow, painfull, barbaric and inhumane death by dehydration and starvation. Mother was only disposable cargo, with a bank account.

In addition, Mother was caged, like an animal for 3 years at 96 -99, in a low rated nursing home, kept locked in solitary confinement, in a sensory deprived environment, with people with mental and behavior problems, never allowed outside into society and never allowed to have a normal relationship with the son she loved by this mafia denying and severely restricting visits with her son based only on unproven lies by this mafia.

Hey melissa, did YOU ever READ the petition, the transcript of the petition hearing and READ the quack ledakis report of his "evaluation" of Mother when he claimed Mother was "100% incapacitated? If you did, that proves YOU are corrupt and part of this guardian mafia.

Ledakis ADMITTED in his report Mother had no problems with her daily activities and because I had been living at mother's house (at her request) for 2 years everything was fine. He also said she would have no problems being in court. So, why did he claim Mother needed a guardian of person? Ledakis NEVER gave one example that Mother had any financial problems. So, why did ledakis demand she needed a guardian of estate? At the petition hearing, by my questioning, ledakis ADMITTED he had NO independent proof of accuracy for any of the tests he claimed he gave to Mother, NO independent proof of accuracy for his "evaluation" of Mother AND he NEVER audio or video recorded his only 2, 1 hour sessions he claimed he had with Mother to prove what she said and how she said any remarks. HOW does Ledakis's paid remarks prove anything, but he was a quack saying what the mafia wanted to hear for them to guardianize Mother for her money. Ledakis was hired many other times because he always said what the mafia wanted to use against me for constantly exposing the money scam on Mother.

As per the others, camp is a very qualified lawyer who knows guardianship laws, just like jasko rat and weilheimer. Why did camp NEVER cite one example that Mother had a problem in any area? Camp never brought in any professional or doctor Mother dealt with every year to say Mother had any problem? Why? Because Mother had NO problems of any type. Jsh/camp filed the petition on may 18. Weilheimer appointed jasko rat on may 21 only 3 days after camp filed jsh's petition. Camp did not send me/Mother the petition by email until may

24, only 3 days after the petition was filed by camp. Mother/I had no time to find any lawyer and jasko rat has always refused to leave. When the lawyer controls the victim, they control the money. So, why didn't jasko rat, whose only job was to protect, defend and advocate for Mother, never demand the petition be denied? Why didn't weilheimer demand the petition be denied?

So, melissa, if YOU read the petition and those answers by ledakis to my questioning in the court transcript, WHY did you continue to act and treat Mother as if Mother was "incapacitated". WHY did you ignore the facts that demanded the guardianship be voided and Mother must go back home to live her life happy and healthy. WHY did you allow jsh to have unlimited time and access to Mother after it was proven jsh starved her Mother to the point of unconsciousness, had to be taken to the hospital by ambulance, confined to bed for 6 weeks and treated for starvation? Then later, Mother got covid at the hospital where she could have died a slow death?

If YOU knew that information, as you should have, WHY did you deny my petition to demand the removal of jasko rat for NOT doing his job as Mother's lawyer? WHY did you claim he was doing a great job as Mother's lawyer?
