

CHIEF BARTORILLA, PRESIDENT BUCKS COUNTY POLICES CHIEF ASSOCIATION,
STILL REFUSES TO DEAL WITH CORRUPTION OF CHIEF CLOWSER

On August 26 2026, I sent Chief Bartorilla a very long and detailed letter, with documents, proving how clowser's dirty cop, komatick, and a very dirty shister, david "jack ass" jaskowiak of New Britain township, conspired together to arrest me for protesting on a public sidewalk, in silence, in front of jack ass's house on April 27 2024. I never heard from Bartorilla.

I was protesting to expose jack ass's and others in their massive guardianship fraud on my now late Mother: Jane Herring. It appears jack ass was in charge of a "guardian mafia" to keep my Mother locked in solitary confinement, in a sensory deprived environment, NO TV, NO phone only to steal her vast assets. This mafia also included 2 corrupt judges, corrupt guardians, corrupt lawyers, a corrupt care manager, my former sister, a corrupt psychologist and others. Mother was 96 when the fraud started and lasted until she was killed off at age 99. Clowser, komatick and jack ass worked together to charge me with 2 counts of harassment. I served a total time of almost 1 year in prison. Jack ass was my Mother's court appointed shister by a very corrupt judge: gail weilheimer. Jack ass was my Mother's lawyer from the beginning of the guardianship fraud from May 2021 to July 2 2021 when Mother was killed/died. Mother was kept unconscious by morphine and finally died a very slow, barbaric and inhumane death by dehydration and starvation. The guardian fraud was started by my former sister: jsh. Jsh hated Mother and me jsh's entire life and only wanted to control Mother and take Mother's vast assets. Jsh was 70 at the time she hired a corrupt shister, camp, to write the petition for guardianship. The petition lacked many important parts to be a guardianship petition and none of the 15 or so professionals my Mother dealt with each year were ever brought in by jsh/camp to say Mother had any financial or personal problems to be guardianized. Both jack ass and weilheimer should have denied the petition, but they did not because the mafia wanted Mother's vast assets for themselves.

On September 24 2026, I sent Bartorilla another letter asking him to take action on clowser to demand clowser be removed as a member of the Chiefs association and demand his resignation as a chief.

Who knows how many other false arrests were made by komatick. How amny times did clowser protect his corrupt cops? At this time I do not know if komatick is still a cop or where he is. I also sent Bartorilla's letter to all of the other chiefs of police of Bucks county. No word from them so far.

September 24 2026

Bucks County Police Chiefs Association
President Bartorilla, Middleton Police

Dear Chief Bartorilla,

As you know, on August 26 2026, I sent you, your 2 vice presidents and your Chairman the letter below along with many documents by certified mail, about the corruption of one of your members: Chief Clowser, New Britain. I never heard anything back from you or the others I sent the same letter and documents.

Those documents and pictures prove my false arrest by the police officer Komatick and a well known lawyer, David Jaskowiak, of New Britain on April 27, 2024. I was charged with 2 counts of harassment for only protesting, on a public sidewalk, in silence. My letter and documents explain in detail I was protesting in front of Jaskowiak's house because he and others were involved in a massive guardianship fraud on my late Mother, starting when she was 96 until she was killed/died on July 2 2024. I videotaped my 2 hour protest and it is posted, along with many, many documents, court documents, pictures, emails, court transcripts, etc, on my massive news website about my Mother's fraud at janeherring.net.

I had met Clowser, New Britain Board of Supervisors and the new New Britain manager, Valla, many months ago about the fact that Clowser refuses to open a case of police corruption on Komatick. Instead, all of them sent me a email saying they will NOT do anything and I was supposed to go to the county detectives. The fact is, this matter is way over the detectives heads because the corruption and fraud also involves people much higher up. But, Clowser is the chief of police and there is NO excuse why he does not start such a investigation and contact the correct people for further action. I do not know if Komatick is still with the department. If Komatick is corrupt, how many other false arrests did he make and innocent people were or still in prison?

Is your association going to get involved or not? Action against Clowser must be taken for protecting a dirty cop and ignoring the rights and welfare of the citizens of Pennsylvania.

Sincerely,

Arthur Herring III

Bucks County Chiefs of Police Association
President Bartorilla, Middleton Police

Dear Chief Bartorilla,

I am contacting you because of a extremely serious situation pertaining to New Britain Police and its Chief: Chief Clowser. This matter involves the corruption of Chief Clowser and a former(?) police officer: Alex Komatic. Action, of all types needed, must be taken by the Association to protect the public from a corrupt police chief.

My late Mother, Jane Herring, was a victim from 2021-2024 (age 96-99) of a guardianship scam, by a "guardian mafia" in the Orphans Court in Montgomery County. To learn much more about Mother's guardianship corruption, go to my news website janeherring.net. To learn more about guardianship corruption nationwide for many decades, go to my other news website protectmyparents.us. This "guardian mafia" involved her daughter (age 70), several corrupt judges, corrupt guardians, corrupt lawyers, a corrupt psychologist, a corrupt DA and others. Guardianship corruption involves a close family member who wants to have their parent, grandparent, etc, assets now to spend, instead of waiting for that person to die. Those people involved in Mother's scam stole hundreds of thousands of dollars from her, while keeping Mother a prisoner in a low rated nursing home, in solitary confinement, in a sensory deprived environment, no phone, no tv and basically no visits allowed to me with Mother. Mother had NO medical, NO mental and NO financial problems to be guardianized at age 96. Mother was "guardianized" by this "guardian mafia" for 3 years until she was killed/died by morphine. Mother was kept unconscious, where she died a extremely slow, painfull, barbaric and inhumane death by starvation and dehydration.

My background was a 41 year career doing lie detection testing and training worldwide. I used the only proven system of Voice Stress Analysis: PSE. I used that experience to get the facts, documents, court documents, transcripts, pictures, emails, videos, etc, to prove how Mother was a victim of a fake scam just for her vast assets. I was put into prison 5 times by Mother's court appointed lawyer, David Jaskowiak, because I was exposing Jaskowiak and others deep involvement in the scam. I did so in print, in my news websites and on nationwide radio shows. I was forced to serve almost 1.5 years in prison for exposing the scam, all because of Jaskowiak. Jaskowiak and others were/are doing the same thing to many hundreds of other elderly people.

Jaskowiak lives in New Britain township. On April 10, 2024, I handed out my 2 page newsletter to various neighbors telling them about Jaskowiak and others stealing from my Mother. On April 23 2024 I tried to protest in front of jaskowiak's house, but was chased away by an off- duty state police officer who claimed the sidewalk was private property and threatened me with arrest if I stayed. I went to New Britain police and the code officer told me it was a public sidewalk. As I was leaving, I met Alex Komatick and spent about 20 minutes telling him why I was protesting about the scam on Mother by Jaskowiak and others. On April 27, 2024, 9am, I began to protest again, on the public sidewalk, in silence, in front of Jaskowiak's house. Within minutes, 2 police cars showed up. One of the officers was Komatick. Komatick kept telling me some of the neighbors were upset by me protesting. I told him many times protesting is legal and protected by the Constitution. I videotaped the entire 2 hours to prove it was a legal protest. Both Komatick and jaskowiak were outside, on their cell phones the entire time. Who were they talking to? At 11am, Komatick arrested me. He lied many times in his affidavit, including what my protest sign said, what I wrote on the sidewalk and that I had no reason to be protesting there (all enclosed). Giving a false affidavit to law enforcement and manufacturing evidence are felonies. I was charged with 2 counts of harassment. Bail was \$100,000. Both Komatick and Jaskowiak lied (perjury) twice during 2 court hearings (felonies). I had a public defender who refused to let me take the stand to testify, refused to show how Komatick and jaskowiak lied and refused to ask my many questions proving it was a false arrest. I finally got bail reduced to \$10,000 and was released.

During most of the time of Mother's scam, I was pro se. When I got out after several months, I found that jaskowiak and another lawyer in the scam, Ronald Fenstermacher, were sending time sensitive documents to a wrong address, so I would not see them so they would have decisions go their way against me. I told them to stop. Jaskowiak got the judge to put me back in prison. I got out after several months. About January 2025, I started to send letters to lawyers looking for a lawyer to sue them and others. Jaskowiak convinced the judge to put me back in prison for 8 months based on lies he made up at that trial. I was not allowed to say how Jaskowiak lied at this trial.

While I was in prison in summer 2025, I had a friend send packets of documents proving it was a false arrest to Chief Clowser, former DA Schorn (3 times), Judge McHugh, director of parole Shenk, New Britain board of supervisors. None of them responded. Why? When I left prison in January 2026, I sent packets to DA Khan, new board of supervisors, director of parole Harrison and New Britain township manager Valla. None of them responded. Why? Why didn't any of them care that a innocent person was in prison for a made up and bizaar claim of harassment for only protesting, a right guaranteed by the Constitution? While in prison, a friend tried to get a meeting several times with Clowser about Komatick and Jaskowiak, but Clowser refused. Why?

Why didn't Clowser want to correct a corrupt cop and Jaskowiak's lies that put me into prison for about a year? Why didn't Clowser care about any other probable arrests that Komatick made that were false and manufactured? How many of those fake arrests were made by him? How many fake traffic tickets were written by Komatick on innocent drivers? According to information, Komatick is no longer at New Britain police. Where did he go? Did Clowser do the usual and give Komatick the choice of quitting with a good reference or be fired if he refused to leave? What was the payoff to Komatick by Jaskowiak for lying in his affidavit and committing perjury twice in court? Money? A much better paying job as a cop with a bigger police department, etc?

About Spring 2026, Clowser and Valla sent me emails telling me they would not get involved and to go to DA Khan. Their emails are posted on janeherring.net. As I had said, Khan got my packet in about February 2026, but he has refused to respond. Why?

What will your Association do about this matter? Ignore it like those others are doing? Pretend I made it up? My documents and pictures prove who the real liars were. The emails from Clowser and Valla and "O" responses from the New Britain Board of Supervisors prove they do not care about a corrupt police chief and a corrupt police department.

Sincerely,

Arthur Herring III
